

REMARKS

Applicant has reviewed the requirement for restriction and elects subject matter of Embodiment 1, without traverse. Applicant has cancelled claims directed to non-elected subject matter.

Specifically, Applicant has cancelled claims 3-4, 7-11, 18-19, 30-37, and 41-50 without prejudice or disclaimer and reserves the right to pursue subject matter of the cancelled claims in one or more divisional patent applications. Applicant has amended claim 38 to clarify the claim language.

The Office also required an election of species on page 2 of the outstanding action. Applicant elects Embodiment 1, Figure 1a-1c, 2, 10a-10C and all accompanying components. Applicant respectfully notes that Figures 1d, 3-5, 6a-6c, 7a, 7b, 8, 9a and 9b shows certain accompanying components present in the invention assembly of Figure 1a-1c, 2, and 10a-10c for example. Claims 1-2, 5-6, 12-17, 20-29, 38-40 and 51-60 are generic to the elected species.

Applicant respectfully asserts that the new claims are in condition for allowance and a notice to that effect respectfully is requested. In the unlikely event a pertinent document is separated from this submission and the Office determines that an extension and/or other relief is required, Applicants petition for any required relief, including extensions of time, and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to the credit card provided.

Respectfully submitted,
